TWO Thai Beverage (ThaiBev) representatives joined 15 staff from Singapore Exchange (SGX) for a mooncake-making session at the Baking Industry Training Centre (BITC) yesterday. They played host to 15 young adults from the Eden Centre for Adults, a joint project of the National Council of Social Service and the Autism Association (Singapore).

ThaiBev is donating \$200,000 to mark the 10th anniversary of Bull Charge, a

five-kilometre annual charity run around the CBD that will take place on Nov 22. So far, \$2.1 million has been raised.

This year, the funds raised will go to four charities: Asian Women's Welfare Association, Autism Association, Fei Yue Community Services, and Shared Services for Charities.

To encourage more donations, SGX is welcoming online donations from companies and members of the public via American Express, MasterCard, Visa and PayPal. Check out [www.sgx.com/bullcharge](http://www.sgx.com/bullcharge) for details.
