

## SGX Bull Charge: Charity Futsal 2014

On Saturday, 27 September 2014, SGX held its second Bull Charge Charity Futsal Challenge at Sports Planet @ East Coast. Joining us for a fierce tournament were twenty teams of sponsors; of which included DBS Bank, Aon Singapore, KPMG Service and Morgan Stanley.

Moreover, we had the honour of Minister Teo Ser Luck gracing the event as Guest-of-Honour. Team Parliament led by Minister Teo himself had a friendly match against the SGX Management Team. The game was heated, keeping the audience at the edge of their seats – it finally ended in a nail-biting draw.

After many passionate and close fights, the emerging top 3 teams in the competition were Westpac, PwC and KPMG – named in order.

A total of \$103,000 was raised during this event, \$13,000 more than last year! Overall, it was an exciting and fulfilling Saturday spent, where everyone had fun and was glad to do their part towards charity.
