

SGX Bull Charge Paintball Challenge 2015

On Saturday, 29 August, the Risk and Regulation units jointly held the first ever SGX Bull Charge Paintball Challenge at Red Dynasty Paintball Park. Over 100 participants from 18 sponsors joined us for an exciting and fun-filled half-day of paintball games.

Participants enjoyed the adrenaline rush of the intensive shooting, and were satisfyingly re-energized by the burger stand and ice cream truck.

We were also pleased to have Boon Chye join us to witness the tournament finals and prize presentation. Congratulations to SAC Capital, who claimed championship after 6 hard-fought battles! Coming in 2nd and 3rd were ISO Team and Clifford Chance respectively.

The Paintball Challenge received generous contributions from over 30 sponsors comprising listed companies, law firms, Catalist sponsors and Clearing Members, allowing us to raise a heartening total of S\$171,000 for our beneficiaries. The event could not have been a success without support from the Bull Charge committee, as well as Risk and Regulation colleagues who volunteered, donated and contributed in one way or another.
