

### **SGX Bull Charge Cares: SG Cares (February)**

SGX Legal, Compliance, and Corporate Secretariat (LCC) unit enjoyed spending an afternoon with 40 seniors from AWWA's Senior Activity Centre (SAC) on 26 February. After much deliberation on what activities they thought the seniors would enjoy, the LCC unit decided to bring them out for a movie of their choice – **Wonderful! Liang Xi Mei The Movie**.

The volunteers from the LCC unit arrived at Kallang Leisure Park ready to receive the seniors from the coach ferrying them from AWWA's SAC. When they arrived, the seniors were visibly excited to watch the movie. As the volunteers accompanied the seniors to the movie theatre, the seniors were happy to chat with them about how they celebrated the recent Lunar New Year.

*Happy faces after the movie!*

After the movie, the SGX LCC unit arranged for a hearty buffet lunch for the seniors at PastaMania. As everyone tucked in together, the volunteers learned that some seniors had been watching the character Liang Po Po since the 1990s and this movie brought back nostalgic memories for them. Amidst the conversations with the seniors, they also recalled that the SGX volunteers had cooked a meal for them at the AWWA Senior Activity Home last year! It was heartening to know they had enjoyed the soup the volunteers made for them, and the effort put in by the SGX volunteers were greatly appreciated by the seniors, even a year later!

In an instant, the afternoon was over. The seniors enjoyed the pasta, pizza and waffle fries so much that no food was wasted. As the volunteers brought the seniors back to the coach, the seniors expressed how they had enjoyed the afternoon outing and for the volunteers, it was an enjoyable time spending it with the seniors!
