

SGX Bull Charge Cares: Fridays with AWWA (September)

Smiles and laughter from the seniors at the AWWA Senior Activity Centre greeted the volunteers from SGX when they arrived on 22 September for their Bull Charge Cares activity.

The 15 volunteers (13 from Marketing & Communications and 2 from EMC) were there to accompany the 30 seniors on a morning excursion to Resort World Sentosa's SEA Aquarium.

It was a fruitful and engaging few hours with the seniors as they toured the 'shark tunnel' and ocean gallery together before heading to Malaysian Food Street for lunch.

Special thanks to the SGX volunteers!
