

Season of Giving Part 1

27 September 2018

Each year, SGX Cares conduct its annual goodie bag distribution – Season of Giving - where our staff volunteers will pack and distribute goodie bags to the doorsteps of needy seniors from Fei Yue Senior Activity Centres.

As Season of Giving heads into its third consecutive year, the SGX Cares team decided on a more engaging approach to reach out to the seniors – engaging them on what they would like to have in their goodie bag for Part 1, while in Part 2 on 26 October, staff volunteers will pack and distribute the goodies bags to their doorsteps.

On 27 September, the M&C team were out in full force at three Fei Yue Senior Activity Centres – Bukit Baok, Commonwealth and Holland Close.

Their task for the afternoon – to run through a shopping list with each senior, present a mini-goodie bag of bread and tuna and most importantly, chit-chat with the folks.
