

Season of Giving Part 2

26 Oct 2018

It's that time of the year where SGX volunteers come together to bring cheer via our Season of Giving outreach and this year, the SGX Cares team approached the annual event a little differently.

The flagship event was split into two parts to create a more customised and engaging experience for the seniors.

Click [here](#) to find out how our M&C colleagues spent the afternoon on 27 September with the seniors during Season of Giving Part 1, where they collected each senior's wish list.

Fast forward 26 October, around 50 volunteers and their family members took a day off to participate in Part 2 of Season of Giving at three Fei Yue Senior Activity Centers - Bukit Batok, Commonwealth and Holland Close.

There was no time to waste once our volunteers arrived in the morning as they started to sort and pack the daily necessities – milk, coffee, shampoo, and canned goods etc. – according to the various 'orders' submitted by the seniors.

It was a heartwarming experience for the volunteers as they saw the excitement and gratitude of the seniors upon receiving the bags.

Special thanks to all volunteers for their support in the last three years and we hope to see you at Season of Giving 2019!
