

Cooking & Lantern Making

16 Aug 2019

With the Mid-autumn Festival coming up, 20 volunteers from Equities & FICC Units gathered to spend some time with the elderly in AWWA Senior Community Home.

Volunteers displayed their amazing cooking skills and made a few delicious dishes for the elderly.

Other volunteers conducted a hands-on lantern making session for the elderly, in celebration of the Mid-autumn Festival in advance.

It was a fruitful afternoon as the volunteers interacted with the seniors and got to see their happy faces throughout the event.
