

Fridays with AWWA

15 February 2019

In celebration of Lunar New Year, SGX volunteers from the CFO Unit came together to spend some time with the elderly in AWWA Senior Activity Centre.

They were split into the Interactive Team and the Gardeners Team. While the Interactive Team were playing an LNY edition Bingo with the seniors, the gardeners were in the garden busy harvesting tasty rambutans and trimming overgrown branches.

Not forgetting a mandatory Lo Hei session with the seniors, which made the day even more memorable!
