

Kids' Day Out

12 October 2019

In October, the Marketing & Communications Unit hosted our beneficiaries from Fei Yue Community Services and HCSA Community Services at the Singapore Flyer. Our partners from DollarsAndSense, InvestingNote and The Fifth Person were also invited to participate in this outreach.

The event encompassed a capsule ride at the Singapore Flyer and also a scavenger hunt for the kids to enjoy. Not forgetting some yummy food and goodie bags that were prepared for the children!

It was a heartwarming Saturday afternoon spent with the kids as they were thrilled to be on the Singapore Flyer since it was the first time for most of them.
