

ONE Championship Mentoring Workshop

6 July 2019

As part of SGX Bull Charge's CSR partnership with ONE Championship, a mentoring workshop was held in July for the youths and children from AWWA Ltd. The staff volunteers from E&FI Unit also joined in the fun.

The event allowed the kids to be up close and personal with MMA athletes – Amir Khan and Dejdamrong, as they learnt a few tricks from them through the session.

It was an engaging experience for both the children and volunteers as the hands-on activity was made interesting by the instructors.
