

Season of Giving 2019 Part 2

4 October 2019

Earlier in June, our volunteers from the RegCo Unit spent the afternoon with the elderly and noted their wish lists during Season of Giving Part 1.

Moving onto Season of Giving Part 2, 58 staff from different units and their family members came together to volunteer their day by packing and distributing the goodie bags. The annual flagship event was held at 6 Fei Yue Senior Activity Centres – Serangoon, Hougang, Dewcourt, Bukit Batok, Holland Close, Commonwealth.

Once they reached the respective centres in the morning, the volunteers started packing the necessity items based on the recorded wish list of the seniors, which amounted to 1000 goodie bags!

The volunteers also personally delivered the goodie bags to the seniors at the comfort of their own home so that they can reduce the hassle of heading down to the centre.

It was a rewarding experience for all our volunteers as they put a smile on the seniors and feel their appreciation. A big thank you to all volunteers who has made another year of Season of Giving a success!
